

Remarks

Claims 1-18 are pending in the application. Reconsideration and allowance of the application are respectfully requested.

In response to the Office Communication dated July 30, 2008, which indicates that the response filed January 29, 2008 is not fully responsive due to Applicant's not pointing out support for the newly added claims 15-18 and amended claim 1, Applicant refers the Examiner to the following Figures and paragraphs of the Specification, which fully support Applicant's claims:

Regarding amended claim 1, support can be found, for example, in Figure 1 and paragraphs [0017], [0024], and [0032].

Regarding new claim 15, support can be found, for example, in Figure 1 and paragraphs [0011-0020].

Regarding new claim 16, support can be found, for example, in paragraph [0019].

Regarding new claim 17, support can be found, for example, in paragraph [0021].

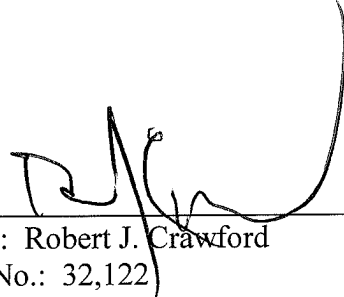

Regarding new claim 18, support can be found, for example, in paragraph [0024].

In view of the remarks above, Applicant believes that each of the rejections has been overcome and the application is in condition for allowance. Should there be any remaining issues that could be readily addressed over the telephone, the Examiner is asked to contact the agent overseeing the application file, Peter Zawilski, of NXP Corporation at (408) 474-9063 (or the undersigned).
